Help drive women to achieve independence

BECOME A MENTOR DRIVER

Bendigo & Shepparton

Are you passionate about empowering women to become more independent and confident?

Join WomenCAN Australia as a Volunteer Mentor Driver and make a real difference. By helping women learn to drive and obtain their Victorian Driver's Licence, you'll support them to build their confidence, capability, and connections within the community.

Requirements

- 25+ years of age
- Hold a current, full Australian Drivers Licnece for 4+ years
- Clear driver history report (via VicRoads)
- WWCC and National Police Check
- Commitment to volunteer for 6+ months
- Willing to complete the VicRoads Volunteer Supervising Driver Training (cost covered)
- Use of the My Learner's App

Women CAN australia

Driving to Employment

Our Driving to Employment program removes a barrier to workforce participation for regional women—having a driver's licence. The program supports women through professional driving lessons, mentor driving and personalised support through the process.

The Driving to Employment program is co-funded by VICTORIA State Government | Department of Transport and Planning
